

Come have a say about the future of transportation in Mendocino County!

The Mendocino Council of Governments is updating the Regional Transportation Plan. The Plan identifies transportation needs for the next 20 years in all modes of transportation including bicycle, pedestrian, streets, highways, rail and transit.

A series of public workshops is planned to provide the public opportunity to voice their concerns about transportation and help us to identify needs throughout the county.

PUBLIC WORKSHOPS

Ukiah **Wednesday, May 5, 4:00 to 6:00 p.m.**
Veterans Memorial Building, 293 Seminary Avenue, Ukiah

Covelo **Saturday, May 8, 10:00 a.m. to 12:00 noon**
