### **Mendocino Rails with Trails Public Workshops In September**

Do you wish there were more safe places to walk and roll in your community? Share your vision for a trail system to connect communities, expand options to walk and bike and increase economic opportunities!

Help plan this multipurpose trail system adjacent to the rail corridor through your community at public workshops in Willits and Ukiah. Both workshops will be from 5:30 p.m. to 7:30 p.m. with a presentation at 6:00 p.m.

Wednesday, September 21: Willits, City Hall Community Room, 111 E. Commercial Street  
Thursday, September 22: Ukiah, Grace Hudson Museum, 431 South Main Street

Come out to the workshops to view maps and photos of the Rails with Trails corridor alternatives and discuss priority trail segments and trail design alternatives that reflect community values.

Input from these workshops will help to complete a Rails with Trails Corridor Plan for Mendocino County and determine priority trail segments for implementation. This project is coordinated by the Mendocino Council of Governments (MCOG) and funded by the Caltrans Transportation Planning Grant Program and MCOG.

For more information about the workshops, go to [www.mendocinocog.org](http://www.mendocinocog.org) or call (707) 463-1859.
