Come have a say about the future of transportation in Mendocino County!

The Mendocino Council of Governments is in the process of preparing both an Active Transportation Plan and an update to the Regional Transportation Plan. The two plans together will identify transportation needs and projects for the next 20 years in all modes of transportation including bicycle, pedestrian, streets, highways, rail and transit.

A series of public workshops is planned to provide the public opportunity to voice their concerns about transportation and help us to identify needs throughout the county.
